

Look For Chapter OE Survey Results In November

Greetings Sister Links....

You should have received the WA Organizational Effectiveness Team (OET) chapter survey. The results of the findings will lead to recommendations of interpersonal and operational initiatives for improving chapter effectiveness.

We engaged the services of Limbic Systems, a performance measurement IT solutions firm to assist in developing the online survey. Limbic Systems will disseminate and aggregate the data on behalf of the WA to measure the effectiveness of our friendship and service through the survey process.

The online survey was emailed to all WA members on October 9th from this email address:

linkswasurvey@gmail.com.

Your anonymous response will be summarized and chapters will be given detailed, graphic results of their 'Chapter Heat Map', along with comparisons to other chapters. The survey will be open for approximately 10 days, closing on October 20th.

We need your cooperation and full participation in order to generate a response rate that will yield quality results for the survey.

Thank you in advance for helping us ensure 'The Best For The West!'

Yours in Linkdom,

Link Roxann Thomas Chargois
Western Area Director

Link Beryl Basham
WA Chair, Organizational Effectiveness Committee
